

How Is My Dog Really Doing?

The HHHHMM Quality of Life Scale

HURT

Is your dog's pain controlled and comfort maintained?

HUNGER

Is your dog eating willingly and regularly?

HYDRATION

Is your dog drinking enough water and staying hydrated?

HYGIENE

Is your dog clean, dry, and free from sores or odor?

HAPPINESS

Does your dog still show interest in family or play?

MOBILITY

Can your dog move to eat, eliminate, and rest comfortably?

MORE GOOD DAYS THAN BAD

Are good days still outnumbering bad ones?

If your total score is below 35 out of 70, consult your veterinarian.
